

How to get your samples to our lab

There are a number of ways to get your samples to us:

- 1. Deliver in person OR courier samples direct to the lab: “Rosall” 1528 Henty Hwy Hamilton** (12km north from the Bunnings intersection). The lab is located in the shed out the back.
- 2. Drop samples to Hamilton Hire – 13 Peck St Hamilton** (behind Western Ag off Coleraine Rd). This is a central location in town that is independent of the rural stores, and is easy to access if you are in a truck or have a trailer on. The fridge is located out the front of the shop allow sample drop off 24/7
- 3. Express Post samples to:** Dynamic Ag - C/- Hamilton Hire – 13 Peck St Hamilton 3300
- 4. After hours samples:** Simply drop into the fridge at Hamilton Hire.
